

CepiaNet

- www.cepiaclub.com

The central hub in the CepiaNet, our website offers useful content for political, economic, societal and cultural awareness and activism. We branch out from there, and on- and off-line. From individual perspectives to ideas for community action, many freely available publications, current and archived, can be found there. A great resource for anyone looking for real alternatives and useful connections.

- thecepiaclub@yahoo.com

Free-to-join/free-to-read. Get special bulletins and important info on many topics from our Yahoo! Group. Also found on our website (see above).

- **Cepiaglobal Associated Members Program**

Our premium “connected” group.
